

- **WVRHA Conference Flyer Verbiage:**

32nd Annual West Virginia Rural Health Conference

Innovative Change Starts in the Mountains

Date: November 13-15, 2024

Location: The Resort at Glade Springs in Daniels, WV.

WVRHA is excited to offer a hybrid format with the conference plenary sessions being broadcast live. This conference is the largest gathering of people who are interested in improving rural health in WV with the overall goal of helping our rural communities adapt, grow, and succeed.

This year's conference theme, Innovative Change Starts in the Mountains, celebrates the culture of health being built right here in the hills of WV. Our state has made great progress in addressing health disparities and helping our communities thrive. WVRHA invites you to take part in this year's celebration.

- **AWARDS Verbiage:**

2024 RURAL HEALTH AWARD NOMINATIONS ARE OPEN!

Each year, the West Virginia Rural Health Conference celebrates the accomplishments of outstanding individuals and organizations in the field of rural health.

These awards are granted to individuals or organizations deserving of recognition for their rural health efforts in West Virginia.

In addition, awards may be granted to an individual in a non-health related position, who has carried out exemplary work in promoting health in rural areas. See our website for more details.

Individual award winners will receive a complimentary registration to the WV Rural Health Conference.

***Nomination Deadline: September 15th, 2024***

West Virginia Rural Health Conference Sponsorships

The West Virginia Rural Health Association is excited to host the 32nd Annual West Virginia Rural Health Conference from November 13-15, 2024. This year's event will be hosted at The Resort at Glade Springs in Daniels, WV. We are excited to offer a hybrid format with the conference plenary sessions being broadcast live. This conference is the largest gathering of people who are interested in improving rural health in WV with the overall goal of helping our rural communities adapt, grow, and succeed.

This year's conference theme, Innovative Change Starts in the Mountains, celebrates the culture of health being built right here in the hills of WV. Our state has made great progress in addressing health disparities and helping our communities thrive. WVRHA invites you to take part in this year's celebration.

- **Poster Presentations Verbiage:**

Students, residents and fellows in training are invited to submit abstracts of rural health projects/research for podium or poster presentation at the 2024 West Virginia Rural Health Conference to be held in-person at The Resort at Glade Springs in Daniels, WV November 13-15, 2024.

Submitted projects/research should be applicable to the health of rural West Virginians. Abstracts should represent original research, case studies, or reviews that contribute to advancing medical knowledge and practice

Authors accepted for a podium presentation will be expected to present in person at The Resort at Glade Springs in Daniels, WV, on Thursday, November 14th 4:00-4:45. Poster presentations will be held in person on Thursday, November 14th from 5:00-7:00. Scholarships are available.

Abstracts chosen for presentation will be published in the Marshall Journal of Medicine.
